

GUILDFORD ACCORDION CLUB

FRIDAY 25th September, 2015

(This is the fourth Friday, not the usual third)

As part of our ongoing Anniversary Celebration Year, we are thrilled to have the opportunity to present, at the club, this month,

Gianluca Campi

He has been referred to as the “Paganini of the Accordion”. He wins the acclaim of critics and audiences at his performances and presents a wide repertoire of music.

This is an extremely rare chance to hear this wonderful musician. Do not miss him.

There will also be some surprises to add to the usual evening's entertainment.

Bring all your friends and remember it is the **fourth Friday and not the third.**
